

Meeting Time:

Friday, 1st October 2021

Members Attended:

Chieh-Yu Chao, Kennedy Guok, Li Sean Wong, Rui Wang

Members Absent:

Hester Lim

Agenda:

- Discussed different algorithms that we tried but failed to improve the revenue (charge/discharge at local minimum/maximum prices for each day, compare with minimum/maximum of the future LOOKAHEAD number of prices instead of comparing with percentiles)
- Discussed about potential algorithms for price prediction for the bonus task
- Worked on the presentation slides

Next meeting Time:

Monday, 4th October 2021
